#### **Directors report**

The directors present their annual report and the audited financial statements of the company for the financial year ended 31st December 2022.

#### **Directors**

The names of the persons who at any time during the financial year were directors of the company are as follows:

Mr. Darragh O'Brien

Mr. J.P. Browne (resigned 18th February 2022)

Mr. Dean Mulligan

Ms. Seána Ó Rodaigh (appointed 18th February 2022)

Mr. Robert O'Donoghue (appointed 18th February 2022)

### Principal activities

The principal activity of the company is to work in partnership to provide a coordinated response to substance use problems in the North Dublin area. It does this by working closely with community, voluntary and statutory partners to provide youth, adult and family services and by supporting existing projects and research on substance use to the benefit of the community. It operates a number of work streams under the headings (1) Treatment and Rehabiliation, (2) Family Support, (3) Early Intervention - Child and Family Programmes, (4) Health Promotion and (5) Community Engagement.

#### Development and performance

2022 was an exceptionally busy time for the Task Force as it rebuilt its person-to-person frontline service delivery and expanded its supports for the communities of North Dublin. Notable developments during the year included but were not limited to: -

Expansions of services in its Balbriggan Hub with a full suite of services being delivered over two floors, due to resources from Head of Service Primary Care to address a ventilation issue on the third floor.

Through the Task Force Community Care Service - services for people who need drug and alcohol support in the area operated across all three of the Task Force hubs (one in each CHN area) which helped us better meet the needs of our community including Cocaine and alcohol groups.

The Task Force through its Fingal Families Service offered five step mindfulness based stress reduction, family support groups, care planning and case management for families impacted by someone else's alcohol or drug use and worked very closely with the nominated inspector in the Garda Síochána to provide support to victims of drug related intimidation.

The Task Force Coordinator was selected as only one of two people from Ireland to attend the Council of Europe Executive Training on substance use and online practises including gambling, gaming and problematic internet use for young people. She worked with counterparts involved in addiction policy from across Europe over two weeks during 2022 and brought back that insight to the Task Force and team to inform the prevention plan.

Taoiseach Micheal Martin launched the Task Force's Planet Youth Project and the prevention strategy was very active with a Transition Year programme and a parents resource and video among other supports. Through our SUPPORT project we have captured feedback from hundreds of service users to help inform service improvements.

#### Directors report (continued)

The Task Force led in the national rollout of DRIVE and hosted seminar for 100 participants and have assigned a liaison person to rollout training to support family members and others impacted by drug related intimidation. The SAMH groups met quarterly to ensure that communities play an active part in our work and the responses in their own area.

The Task Force opened a Recovery Café to provide a sober space for people in recovery offering light food and tea/coffee in Balbriggan in August 2022 and hopes to build on this in 2023 to reduce stigma and make recovery visible.

The board continued to meet and the new structure with alternating directors' meetings and task force meetings has worked well and with full quorums at all meetings. The accounts were presented by the auditor and approved formally at the AGM on the 21st April 2023.

#### Assets and liabilities and financial position

At the financial year end 31st December 2022 the company held fixed assets with a net book value of €132,523 (2021: €142,268), held current assets with a value of €348,706 (2021: €251,982), owed current liabilities with a value of €303,245 (2021: €251,242) and longer term deferred government capital grants of €67,285 (2021: €70,987). There was a surplus on the income and expenditure account for the current year of €38,678 (2021: Deficit €23,491). This surplus will be used to replenish retained reserves that reduced in the previous couple of years. The value of net assets was €110,699 (2021: €72,021) remains lower than the recommended value of reserves equivalent to three months running costs. The directors will endeavour to rebuild reserves in the coming years as a safeguard to protect the continuing operation of the Task Force.

#### Principal risks and uncertainties

A principal risk for the Task Force is staff retention. While the Task Force is required to comply with public sector policies and standards as part of the service arrangement, our staff do not receive the same benefits and do not receive pensions, increments or any of the other benefits afforded to peers in the public sector doing similar duties and in similar roles. This has created a situation in the current economic context where we are competing with the public sector to recruit and retain staff and poses a serious threat to operational continuity.

#### Likely future developments

It is the directors' intention to continue to pursue the principal activities of the Task Force for the foreseeable future, sustaining the existing services and to enhance them where possible.

#### Going conern

The company is dependent on income provided from government funders. As with many government funded organisations, the company is affected by both budgetary constraints implemented by the national government and also external economic restraints. The directors have reviewed all relevant information and are confident that the company has adequate financial resources to continue in operational existence for the foreseeable future. Consequently, the directors consider it appropriate to prepare the financial statements on a going concern basis.

#### Events after the end of the reporting period

No events occured in the post balance sheet period that would have an effect on the current financial statements or directors' report.

#### Directors report (continued)

#### Accounting records

The measures taken by the directors to secure compliance with the requirements of sections 281 to 285 of the Companies Act 2014 with regard to the keeping of accounting records are the implementation of necessary policies and procedures for recording transactions, the employment of competent accounting personnel with appropriate expertise and the provision of adequate resources to the financial function. The accounting records of the company are located at 33-34 Main Street, Malahide, Co. Dublin.

#### Relevant audit information

In the case of each of the persons who are directors at the time this report is approved in accordance with section 332 of Companies Act 2014:

- so far as each director is aware, there is no relevant audit information of which the company's statutory auditors are unaware, and
- each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's statutory auditors are aware of that information.

#### **Auditors**

In accordance with section 383(2) of the Companies Act 2014 the company's auditors CSA Accountants will be reappointed for the coming financial year.

This report was approved by the board of directors on 21st April 2023 and signed on behalf of the board by:

Mr. Darragh O'Brien

Director

Mr. Dean Mulligan

Director

#### Directors responsibilities statement

The directors are responsible for preparing the directors report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- · make judgments and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Independent auditor's report to the members of North Dublin Regional Drugs Task Force CLG

#### Report on the audit of the financial statements

#### Opinion

I have audited the financial statements of North Dublin Regional Drugs Task Force CLG (the 'company') for the financial year ended 31st December 2022 which comprise the income and expenditure account, the statement of income and retained reserves, balance sheet, statement of cash flows and notes to the financial statements, including a summary of significant accounting policies set out in note 3. The financial reporting framework that has been applied in their preparation is Irish law and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

In my opinion, the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31st December 2022 and of its surplus for the financial year then ended;
- have been properly prepared in accordance with FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2014.

#### Basis for opinion

I conducted my audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. I am independent of the company in accordance with the ethical requirements that are relevant to my audit of the financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the provisions available for small entities, in the circumstances set out in note 18 to the financial statements, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Conclusions relating to going concern

I have nothing to report in respect of the following matters in relation to which ISAs (Ireland) require me to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may
  cast significant doubt about the company's ability to continue to adopt the going concern basis of
  accounting for a period of at least twelve months from the date when the financial statements are
  authorised for issue.

#### Other Information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether there is a material misstatement of the other information. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

# Independent auditor's report to the members of North Dublin Regional Drugs Task Force CLG (continued)

#### Opinions on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, I report that:

- · in my opinion, the information given in the directors' report is consistent with the financial statements; and
- · in my opinion, the directors' report has been prepared in accordance with applicable legal requirements.

I have obtained all the information and explanations which I consider necessary for the purposes of my audit.

In my opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited, and financial statements are in agreement with the accounting records.

#### Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit. I have not identified material misstatements in the directors' report.

The Companies Act 2014 requires me to report to you if, in my opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. I have nothing to report in this regard.

#### Respective responsibilities

#### Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

# Independent auditor's report to the members of North Dublin Regional Drugs Task Force CLG (continued)

As part of an audit in accordance with ISAs (Ireland), I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
  forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If I conclude that a material uncertainty exists, we are required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

#### The purpose of our audit work and to whom we owe our responsibilities

My report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. My audit work has been undertaken so that I might state to the company's members those matters I am required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for my audit work, for this report, or for the opinions I have formed.

## Notes to the financial statements Financial year ended 31st December 2022

#### 1. General information

The company is a private company limited by guarantee, registered in Ireland. The address of the registered office is North Dublin Regional Drugs Task Force CLG, 33-34 Main Street, Malahide, Co. Dublin.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

#### 3. Accounting policies and measurement bases

### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income and expenditure.

The financial statements are prepared in Euro, which is the functional currency of the entity.

### Judgements and key sources of estimation uncertainty

No critical estimates or judgements were made during the preparation of the financial statements, therefore there are no disclosures regarding same.

### Notes to the financial statements (continued) Financial year ended 31st December 2022

#### Income

#### Voluntary Income

Voluntary income is recognised in the period in which the organisation is entitled to the resource, receipt is virtually certain and when the amount can be measured with sufficient reliability.

#### Restricted Income

Income received by the company, the application of which is restricted to a specific purpose by the donor, is treated as restricted income and any unspent amounts are presented as deferred income on the balance sheet.

#### Unrestricted Income

Unrestricted income consists of General and Designated income:-

- General income comprise amounts which are expendable at the discretion of the board, in furtherance of the objectives of the company.
- Designated income comprise unrestricted funds that the board has, at its discretion, set aside for particular purposes. These designations has an administrative purpose only and do not legally restrict the board's discretion to apply the funds.

#### Expenditure

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:-

- Expenditure comprises those costs incurred by the company in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Costs include governance costs associated with meeting the constitutional and statutory requirements of the company and include the audit fees and costs linked to the strategic management of the company.

#### **Tangible assets**

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses.

Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in capital and reserves, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in capital and reserves in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in capital and reserves in respect of that asset, the excess shall be recognised in profit or loss.

## Notes to the financial statements (continued) Financial year ended 31st December 2022

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Plant and machinery - 15% straight line Fittings fixtures and equipment - 15% straight line

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

#### Impairment

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

When it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

#### Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the company will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised using the accrual model and the performance model.

Under the accrual model, government grants relating to revenue are recognised on a systematic basis over the periods in which the company recognises the related costs for which the grant is intended to compensate. Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised in income in the period in which it becomes receivable.

Grants relating to assets are recognised in income on a systematic basis over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income and not deducted from the carrying amount of the asset.

Under the performance model, where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

## Notes to the financial statements (continued) Financial year ended 31st December 2022

#### Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets or either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

#### 4. Limited by guarantee

The company is a company limited by guarantee and not having a share capital. The liability of the members is limited. In the event of a winding up of the company, each member undertakes to contribute to the assets of the company for payment of the debts and liabilities of the company of such amount as may be required but not exceeding one euro.

#### 8. Surplus / (deficit) for the year

Surplus / (deficit) for the year is stated after charging/(crediting):

|                                                        | 2022   | 2021   |
|--------------------------------------------------------|--------|--------|
|                                                        | €      | €      |
| Depreciation of tangible assets                        | 46,274 | 41,152 |
| Fees payable for the audit of the financial statements | 2,214  | 2,214  |
|                                                        |        |        |

# Notes to the financial statements (continued) Financial year ended 31st December 2022

#### 9. Staff costs

The average number of persons employed by the company during the financial year, including the directors, was as follows:

|                                       | 2022   | 2021   |
|---------------------------------------|--------|--------|
|                                       | Number | Number |
| Administration                        | 1      | 1      |
| Counsellors                           | 1      | 1      |
| Community Case Workers                | 6      | 6      |
| Prevention Co-ordinator               | 1      | 1      |
| Family Support Specialist & Worker    | 2      | 2      |
| Family Support and DRIVE Co-ordinator | 1      | -      |
| Manager CCS                           | 1      | 1      |
| Support Coordinator                   | 1      | 1      |
|                                       | 14     | 13     |
|                                       |        |        |

The aggregate payroll costs incurred during the financial year were:

|                        | 2022    | 2021    |
|------------------------|---------|---------|
|                        | €       | €       |
| Wages and salaries     | 456,954 | 463,558 |
| Social insurance costs | 49,257  | 50,427  |
| a .                    | 506,211 | 513,985 |
|                        |         |         |

In the financial year ended 31st December 2022 no employees received benefits in excess of €60,000.

### 10. Appropriations of income and expenditure account

|                                            | 2022    | 2021     |
|--------------------------------------------|---------|----------|
|                                            | €       | €        |
| At the start of the financial year         | 72,021  | 95,512   |
| Surplus / (deficit) for the financial year | 38,678  | (23,491) |
| At the end of the financial year           | 110,699 | 72,021   |
|                                            |         |          |

|     |                                                                               |             |           |

## Notes to the financial statements (continued) Financial year ended 31st December 2022

#### 17. Reserves

The only reserve held by the company is the revenue reserve represented by the surplus or deficit on the income and expenditure account.

#### 18. Ethical standards

In common with companies of similar size and nature we use our auditors to assist us in the preparation of the statutory financial statements and in the processing of payroll.

#### 19. Key management personnel

The key management personnel of the company are the directors' and also the task force co-ordinator Ms. Brid Walsh. None of the key management personnel are employed by the company and neither do they receive any form of salary or emoluments from the company.

#### 20. Controlling party

The company is controlled by the members of the company who are listed on the Directors and Other Information Page. Members have one vote each at meetings of the company.

### 21. Approval of financial statements

The board of directors approved these financial statements for issue on 21st April 2023.

The following pages do not form part of the statutory accounts.
